

## AUTOMATIC CONTRIBUTIONS

You can assure that your pledge is always current by donating online through one-time or recurring payments on our secure webpage: [www.edgebrookucc.org/donate](http://www.edgebrookucc.org/donate)

To save nominal service fees, you may also set-up recurring payments directly from your bank account.

## PLEDGE FAQs

### Is my pledge tax deductible?

Your contribution to the church is tax deductible. Please consult your accountant in regard to current tax law. Those who pledge will receive quarterly giving statements. This serves as a reminder of the status of your contribution as well as a receipt when you file taxes. Those who give but do not pledge will receive a year-end statement.

### How is our church funded?

Each congregation of the United Church of Christ is autonomous and responsible for its own finances. In other words, we pay our own way. Our annual budget is funded through pledges and additional donations, through the Swanson Trust, and most recently, we've been funding the gap between giving and spending by drawing on our investments.

ANNUAL APPEAL  
2026

We designate 10% of what we receive in pledges to support our mission partners. To this amount, we add funds received from the Dorothy Billington Trust. Our congregation is not an end unto itself. We support the United Church of Christ in carrying out our mission of spreading the Gospel message.

We designate funds from our budget and also raise additional funds throughout the year to support local and global agencies that provide ongoing and emergency services at home and away.

## MISSION

*“You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God.”*
