

# MORNINGS WITH GOD

Select Tuesdays in the Summer  
9:30-11:30am

## Mornings with God

Growing our relationship with God is absolutely vital for every Christian. We grow that relationship through regular time spent with God. We can encounter God in two main ways: The Bible and His creation.

Join us on Tuesday mornings throughout the summer as we travel to various outdoor places in Ludington to give students alone time with God in the Gospel of Mark and to gather in small groups afterward to discuss what God was impressing on their heart.

We are excited to encourage students in their alone time with God this summer and pray that they grow stronger in their relationship with Jesus.
