

Dear Church Family,

During this difficult time, we understand that each of you may be missing the sense of community, as well as, the small group Bible Study that Sunday school brings to you each week. We are excited to inform each of you that our church has partnered with RightNow Media to bring Bible Study into your home!

You may be asking: *What is RightNow Media?* It's like the "Netflix of Video Bible Studies" and has a HUGE library of faith-based videos that you can access whenever and wherever you want—on your phone, iPad, computer, or at home on your TV.

As a church staff, we desire to find avenues for you to develop and grow in your personal walk with the Lord. We are confident that RightNow Media will be a resource that will enable you to live out your faith at home, at work, and in your neighborhood. RightNow Media has videos for everyone—kids, youth, parents, married couples, college students, single adults, working professionals—all aimed at helping you grow.

You can have FREE access to RightNow Media by setting up your personal account.
