

HARBOUR SCHOLARSHIPS

Applications are solicited in the Spring by the UMM Executive Committee that evaluates the applications and makes the final decisions. Applicants are notified of the Committee's decision early in the Summer. Funds are transmitted directly to the Student Aid offices of the appropriate school by the UMM Treasurer and made available to the student for use in meeting his/her financial obligations.

Many, but not all, of our applicants are William and Mary graduates who are active in the programs of the Wesley Foundation.

The funding required to provide these scholarships to deserving candidates comes from UMM sponsored fundraising events; the October Spaghetti Dinner, and from financial gifts donated by the UMM membership. We aim to award two scholarships each year.
