

## **Laura Pittman**

Director of Kid's Morning Out

Laura began serving as the Director of Kid's Morning Out in May 2018, as it prepared to open the following fall. Originally from Lynchburg, Virginia, Laura relocated to the peninsula in 2006 to attend Christopher Newport University. There, she obtained her Bachelor of Arts in Psychology, with a focus on child development. Laura worked in the Newport News Public Schools regularly as a substitute teacher when her class schedule allowed. After graduation, Laura pursued a career in Management in the corporate world. With several years of experience, Laura then joined the management team at La Petite Academy.

Laura was seeking a way to serve the church and community and balance life with her newborn son when the Director position became available. Laura's love for children, experience in management, passion for community, and desire to serve called her to lead this program.

Laura and her husband Jonathan married in June of 2016 and moved to Williamsburg shortly after with their two dogs. They joyously celebrated the arrival of their son, William, in March of 2018. As a new mother herself, Laura has felt called to serve other parents and help build a community around young families. She looks forward to helping Kid's Morning Out grow to serve the Williamsburg area for years to come.
