The Pastor's Corner

This week we follow our *Love is...* series to our next quality: Love is...Faithful. Of all the love songs, poems and stories that readily come to mind generally express love as enduring nature; "and they all lived happily ever after." To be fair there are a lot of break-up songs and depressing movies, but we are somehow drawn to the enduring love ones. When Paul talks about what love does he describes it as never giving up and enduring through every circumstance. Our culture says throw it away and get a better one, but that is not what Paul describes. Sunday we are going to explore this important characteristic of God's love for us and one that we should manifest in our own love. See you Sunday.

A Note From the Children's Director

"Our God is an awesome God. He reigns from Heaven above." These song lyrics ran through my head over and over several times last week while I was on vacation. Out in the Gulf of Mexico where I could see nothing but water, I was reminded of the vastness or greatness of our God. The Gulf is just a small body of water compared to the oceans. I also saw some gorgeous sunsets with amazing color and nothing to block the view. I tried to take pictures but was disappointed because pictures can't truly capture the beauty of God's creation. Psalm 19:1 says, "The heavens declare the glory of God; the skies proclaim the work of His hands." I truly don't understand how anyone can look at creation and deny there is a Creator God who put it all in its place.

In Genesis 1 we read after God had created the earth, skies, plants, creatures, everything else, He created man in His own image. We were created to be like Him and to have fellowship with Him. Ephesians 2:10 says we are His "masterpiece." After looking at all the beauty that is in creation it is hard for me to grasp the concept that humans, I, am His masterpiece, His most prized possession. What about you? Next time you look in the mirror, see what God sees, a masterpiece, and cherish your time on this earth. Take time to tell Him how much you love Him and all He has done for you. Try not to take life, any part of it, for granted, but rather value it. Treasure it as His gift to you!

Jeanna

Summit Camp

June 4-7

This camp is for kids who have completed grades 3-6. Parents, I know this is still 3½ months away but we will be going to a different campground (Disney, OK) and space may be somewhat limited. I do not have registration forms yet, but when I get them they will need to be returned quickly. This is why I am giving you a heads up so you can be talking about camp with your kids and make a decision quickly when forms become available. The cost will be \$105 for each camper. If your child wishes to attend and you need financial assistance please contact Jeanna by phone at 847-2965 or email at jjones@fbccassville.org so scholarships can be made available.
