### The Pastor's Corner

As we head in to week two of the *Fix It* sermon series, we will look at the foundation we are to build upon. If you do not get the foundation right it will not matter how high the quality of the structure; the building will have problems. The only question is how severe will the issues be and what will they cost to repair, if they are repairable at all. The finale of the Sermon on the Mount is the parable of the wise and foolish builders. Jesus illustrates what kind of builders His audience was based on what they would do with the sermon He has just preached. This week we will look closely at this parable in Matthew 7 to see what Jesus wants us to do with this teaching. If we want a life that is built on a solid foundation, well it's not rocket science! See you Sunday.

Pastor James

Everyone sits at the table of their birth month, except children ages 6 and under who will sit with a parent. There will be games, food and one big birthday cake!

What is your part? Just bring a covered dish and show up for an evening of fun. Someone from your birthday month will contact you about what type of food dish to bring.

**In order to be adequately prepared, we need everyone to sign up. You can sign up this Sunday on "Birthday Bash" bulletin insert or call the church office.\***

\*Does the church office have your contact information and date of birth? Please fill out the insert in Sunday's bulletin or call the church office (847-2965). Don't miss out!

### Thank You

It is such a blessing to be a member of such a wonderful church family. Since losing Helen and Sam, I've found comfort from kind words, cards and plants. A special thanks goes to the ladies preparing the funeral meals. They were great.
