The Pastor's Corner

This week will conclude our series on *The Grafted-in Church*. The Hebrew word we will be focusing on is "Kehillah." Like with several other of the words from this series Kehillah is often translated "congregation" or "assembly." The difference is that this word adds in the concept of coming together to accomplish a task. In other words, called together for a purpose. Think old-time bucket brigade. The bell was rung and the people assembled to work together to put out the fire. That is kehillah. The congregation of Israel was called to come together to build the Tabernacle, or to rebuild the walls of Jerusalem. This word has direct application for any local church especially during this COVID-19 season along with all of its changes and unknowns. We are called and set apart for a purpose! I hope to see you Sunday as we explore the final Hebrew word in this series.

Shalom,
Pastor James

A Note From the Director of Missions

Ministry continues...

Even with the changing world around us, some things do not change. One of those things is that ministry continues! We are to love God and love others. One way we can love God and others is by serving.

Saturday, October 24, we will participate in the community's annual **Chili Cook-Off** (a Chamber of Commerce event). This event typically takes place around the square. However, this year to provide for social distancing the event will take place at the soccer fields next to the Aquatic Center. We plan to have three booths, two booths will be free games and crafts for children and one will be a place to find information about FBC, Upward Basketball/Cheerleading and Operation Christmas Child Shoeboxes.

Kindness in Action Efforts in October – Many of our Sunday School classes will be planning a class KIA effort this fall. If you have not returned to Sunday School this is a good time to jump back in. Or maybe you've never attended a small group Bible Study class...if not, this would be a great time to try one out!

Sunday, November 8, Church-wide Shoebox Packing Party

We will gather at the Family Life Center to pack 500 shoeboxes which will carry the gospel to children across the world! Be watching for more information.

November 16-23, Operation Christmas Child Shoebox Collection Week.

Yes, you can participate in the packing party and still pack individual shoeboxes! It is an easy way to impact a child with great joy, now and for eternity.

November 26, Thanksgiving Morning Meals to the Homebound

On Thanksgiving Day, there will be crews working at the Family Life Center to cook, assemble, pack and deliver meals to the elderly and homebound. A Thanksgiving greeting and the gospel message are included with deliveries.

Be watching for more details...

Blessings!
Jackie
