Operation Christmas Child Shoebox Ministry

500 Shoeboxes = Church Packing Party Goal
Shoeboxes provide an opportunity to share the gospel with children and families. Statistics show 1 shoebox can impact 10 lives. This effort also helps us be obedient to the Great Commission to share the Good News of Jesus Christ with those who do not know Him.

How can you help?

- 1) Pray for the goal to be met and the gospel to change the lives of children across the world.
- 2) Make a cash donation using the designated envelope in the main foyer.
- 3) Join us for the church-wide packing party on Sunday, Nov. 19

The Pastor's Corner

Our Thanksgiving mini sermon series will begin this Sunday. We all know as King David stated in 1 Chron. 29, that since God has made everything, we can only give God back that which He has already given to us. We should all be more thankful for the manifold blessing that God has lavished upon us in this great country we have been privileged to live in! One of the many things that really bothers me is the twisted combination of ingratitude and entitlement that is running unchecked in our nation. Food goes bad in the grocery stores, the food we bring home gets moldy in our refrigerators because we don't like to eat leftovers. We complain about the cost of medicine and healthcare, but most of the world would find the level of care and the wide availability of medicines astonishing. Nobody owes any of this to us! All of this to say, we are blessed! And we should recognize that and be appropriately grateful. This sermon series is going to have homework! There, you have been warned. I hope you can make it this week as we look at our many blessings and attempt to turn that awareness into gratitude. See you Sunday.

James

A Note from the Children's Director

As we move into November and the season of Thanksgiving, I would like to share my thanks. I am so grateful for this awesome church family who shows me love and grace every week. I am thankful for all the wonderful volunteers who help with Sunday School, RAs/GAs, Mission Friends, TeamKID, CR Kids, nursery, NorthPoint Children's Church and MORE! They go above and beyond to teach kids of all ages about the God who created and loves them. My heart is full thinking about all the parents and guardians who share their kids with us in these programs and allow us to love their kids. I appreciate each and every child that comes weekly to learn about Jesus (whether it was their idea or their parent's). I am thankful for every dirty diaper. I am grateful for every time I have to repeat instructions or raise my voice to be heard over the screams and yells. I treasure every "question" that turns into a story about the time someone got locked out of the house while in Texas for a funeral and they had to crawl through a window to a strange house in the dark not knowing what was going to be in there. My heart is full thinking about every child whose life has been changed by the Kingdom Work our God is doing here in Cassville, MO. I am abundantly blessed.
