### The Pastor's Corner

In Luke 17 there is a story of Jesus healing ten lepers. As most of us recall in the story only one of the ten (10%) men who were sick returned to Jesus to express his gratitude. Were the other nine truly ungrateful or were they just so overcome at being healed their only thoughts were for what would lie ahead, going home, being with their wives and children. Perhaps they were thinking about holding that grandchild they had never seen. It's easy to sit back and judge their ingratitude having absolutely no understanding of what their lives had been like for who knows how long. Honestly though, things have not changed all that much in the last 2000 years. As we prepare for Thanksgiving let us be like the one leper who bridled his excitement long enough to be thankful to the One who set him free. Work to put yourself in the top 10% in the gratitude department!

Pastor James

### A Note from the Recreation Minister

UPWARD Update: We've registered just over 80 basketball players and cheerleaders. YEAH!!!

We are in the process of compiling teams, setting up practices, recruiting coaches and working on COVID related modifications. Practices will begin around the first of December. Games are scheduled to start January 9. We realize that all of this has to be fluid because we just don't know what impact COVID will have on our season.

Our numbers are half of what we had last year. Whether we have 80 or 180 our mission is still the same. Upward basketball is designed to reach children and families with the Good News of Jesus Christ. Please pray for us as we continue to use this ministry as a tool to impact our Jerusalem.

Jeff
