

## PRAISE & PRAYER

February 4, 2026

### First Mennonite Church

#### PRAISE:

Father, we praise You that You are the source of all wisdom, and that You have a plan for us. Thank You for the gift of discernment, which helps the Body of Christ distinguish right from wrong, and good from evil. Thank You for opening our eyes to see situations from Your perspective and insight to rely on Your power.

**Pray** for our workers of the week: Dan & Arlene B.

With the start of a new year comes many blessings and challenges, but our God is faithful and will accomplish His purposes through the good and the bad times. Thank you for your faithfulness in lifting us up in prayer as you partner with Wycliffe in the work of Bible translation so all may hear and understand the Gospel. God bless you.

- **Praise** God for the dedication of the Onobasulu New Testament on Jan. 17, bringing God's Word to more people in Papua New Guinea. **Pray** that God speaks powerfully through His Word in Onobasulu homes, churches, and communities.
- **Praise** God that Dan finished preparing the recorded book of Ruth for the Glefe language group to be flown out for distribution to the people. Dan is thankful for God enabling him to get it done in a short amount of time.
- We thank God that communication with the PNG team is improving, allowing Dan to complete work in a more timely manner.
- We enjoyed good family time over the Christmas holiday as Scott & Twila came up from Texas for several weeks and we were able to video chat with Michael & Debby in Malaysia.
- We thank God that Arlene's dad and step-mom are in reasonable health.
- **Pray** for new PNG personnel to fill the management gaps, as my immediate boss is retiring the end of the year. **Pray** that our coworkers there can learn and fulfill the new responsibilities well.
- **Pray** that Dan & Arlene know how to best support Arlene's sister and nephew as they are going through major financial and planning challenges in their business. **Pray** that they can see God's hand leading them through it all.

**Pray** for 5 unspoken requests.

**Pray** for comfort for Trevor & Roberta Maxwell and other family and friends in the death of Trevor's father, John Maxwell.

**CHURCH:** Bill Beachey is assisting with maintenance at Freedom International in the Dominican until February 7. **Praise** for the Canner Committee and all of the volunteers and local businesses who generously donated their time and resources this year.

**Persecuted Church:** Extremists continue to target Christians in India. **Pray** that believers would be spared violence and ask God to comfort those who have suffered attacks.

#### PRAYER:

Lord, in a world filled with noise and confusion, we pray for discernment. Teach us to tune out the voices of the world, and hear Your gentle whisper. Open our eyes to see truth from Your perspective. Silence the distractions of the world and open our hearts to hear Your voice. Grant us patience to listen attentively, and the discernment to understand Your subtle guidance.
