

# The Bears

April 2026

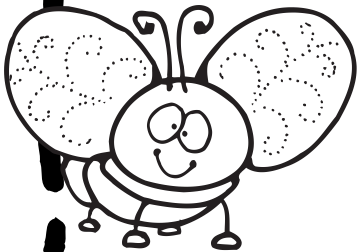

Dear Parents,

We can hardly believe we only have 7 more weeks of school. This school year has gone very quickly, and we are sad to see it end. We hope your child has enjoyed this year as much as we have!

**Bible Verse.** We have a new verse. It is Matthew 28:6.

**Evaluations.** After Spring Break, we will be evaluating our students. We will send home your child's progress report when completed. We have covered and taught letters A-Z (uppercase and lowercase), numbers 1-30, shapes, colors, recognize and writing their name.

**No School.** Students will not have school on Wednesday April 8th. It is a professional development day for teachers.

**Story Time.** April 9 is our last story time with Miss Jeanne. We have loved her monthly visits and are excited to see what books she will bring to read this month. We encourage you to stop by the Berne Public Library to visit her throughout the summer.

**Show and Tell.** Show and Tells is Thursday April 9. Students may bring one item to show their classmates.

**Field Trip.** We will be going to Aggregates Stone Quarry on Wednesday April 15.

**Tuition Payments.** Thank you for turning in your tuition payments on or before April 20th.

**Homework.** The second week of April we will be sending home a homework assignment. Students will be preparing a surprise sack by putting one item into a brown bag. They will think of 3 clues about the item and an adult can write the clues on the paper. Students will need to return their surprise sack by Tuesday April 21.

**Playground.** If the weather is not too wet or cold we plan to go out to the playground. For this reason, we recommend your child bring a jacket or a coat.

We hope you had a wonderful spring break.

Jenn and Jenny
