KIDS MISSION FESTIVAL

Let your Light Shine!

for the Harvest

"Let light shine out of darkness." He made his light shine in our hearts. His light gives us the light to know God's glory. His glory is shown in the face of Christ.

1 Cor 4:6 (NIRV)

Do you have what it takes to cross the sea, climb the mountain and venture to the ends of the earth? Are you willing to cross the street and be bold within your own community? The kids will be learning how they are capable of this with the strength of the Lord. We will take this time to instill a love of sharing the gospel to every tribe and nation, including our own. As we study 2 Corinthians 4:5-6, we will grow our ability to have a heart for the harvest, across the street, across the sea and to the uttermost!

Kids Mission Festival Offering
will go towards school supplies
for children in South Sudan,
Cameroon, and Pakistan.

Douglas Bryan serves as the Curriculum and Instructional Lead at B2THEWORLD, working remotely from Michigan, U.S.

His missionary journey in education began in 2009 at Kigali International Community School (KICS) in Rwanda. What started as a one-year commitment turned into 14 years of teaching third grade, where he joyfully embraced KICS's vision to impact the world for Christ through education.

In 2019, Douglas and his family joined B2THEWORLD, where he now uses his instructional background to guide educational development. He gets to work with educators who serve children in countries impacted by war.

Douglas and his wife, Kerry, are the proud parents of Elias, Adeline, and Oliver, who grew up in Rwanda and are currently adapting to life in the United States.
