

MUSIC NEWS

From your director...

Welcome to the Music News Section
of our Publication!
These are the happenings
in Christ Our Savior's music department!

A general music class will be offered this fall for our area homeschool communities. This will be a once-per-month class for those who would like to have music in their homeschool curriculums. This is an exciting new ministry that will open our doors to the community in an educational way, yet as an extra-curricular to the families! An open house is scheduled for August 21st at 1:00 p.m. If you know folks in the area who homeschool, please feel free to start sharing this news! Please see flyer information on the CMC bulletin board for our upcoming open house!

Private lessons are offered for guitar, flute, violin, piano and drums! We have a wonderful teaching space in the room across from the sanctuary kitchen. Feel free to see Candace for more information on private lessons.

NEW Ensemble Groups—Orchestra Ensemble, Vocal Ensemble, and Fret Ensemble groups are underway. If you are interested in joining us this summer, following is the schedule:

- Thursdays 10:00 to 11:00—Orchestra Ensemble (Sanctuary)
- Tuesdays 2:30 to 3:30—Vocal Ensemble (Choir Room)
- Wednesdays 11:00 to Noon—Frets Ensemble (Sanctuary)

The fall kick-off seasons for choir and chimes will be coming soon. Look for more information to come in August for those groups.

STUDENT SPOTLIGHT

This month's student spotlight is on Paul. Paul started lessons at the young age of 89. He is a delight to teach each week as he enjoys challenging himself and loves singing. He was BRAND NEW to piano when he started lessons, and he is now playing the basics while being able to sing along to some of his favorite hymns such as "What a Friend We Have in Jesus" and "Just As I Am." He is even starting to learn the pedal now! Yay!

Paul's 90th birthday is at the end of June, but you wouldn't know it! Welcome Paul!
