## **Prayers**

*Please add your thanksgivings and intercessions to the Facebook stream.*

Holy One, Creator of Love, be with us as we pray:

Grant us awareness of our blessings, and give us the gift of grateful hearts.

Grant your healing presence to all who are sick and struggling.

Grant your wisdom and strength to caregivers and healers.

Grant to us the courage and perseverance to participate in the healing of our nation.

Grant us the will not to look away when we see the damage we are doing to the earth.

We pray for St. Paul's: the staff, the volunteers, those who worship with us in person and online.

Grant us responsive hearts to the movement of your Spirit.

Send us into this day, with your love surrounding us and your love for the world empowering us.

We pray because of Jesus, who calls us to follow. **Amen.**
