TIERRASANTA LUTHERAN CHURCH
"SHARING CHRIST'S LOVE, SERVING GOD'S CHILDREN,
TRANSFORMING LIVES, MAKING DISCIPLES"

VBS Operation Kid-to-Kid

Thank you, thank you, thank you! The parents and children of June's Vacation Bible School and members of our TLC church congregation were able to fill three large baskets of school supplies for the San Diego Center for Children! A special thank you goes to Donna Parham for delivering those supplies to the center on Armstrong Street.

You're all awesome!!! 😊

Prayers & Squares

Your Prayers and Squares Quilters remain hard at work during this summer. No hiatus for us. We are concentrating on layering and binding the Luther World Relief Quilts. The stack is growing in the sanctuary on the back table. Check it out. At last count, we had 18 completed, but six more in the pipeline. Amazing to think they are almost all made with Donated Fabric.

We thank Ginny Pence for cutting and bundling the "kits" for us to make the 60x80 inch tops !

Linus quilts are also on the back table under the starry blue wall quilt. They are on the left of the same table and look so cozy and cute. Doren and Linda Bixler just delivered a stack of these children's quilts to Ursula, our Linus contact. She gets them distributed to children in need at Rady's, in foster care and in other crisis situations.

Did you notice a change of quilts behind the choir corner. Jo Vromen is the behind-the-scenes sewer and hanger of all the beautiful wall quilts within the sanctuary. Why not tell her your favorite of the four??

August will host **THREE** Prayer and Square work days since we will skip the Rummage Saturday in September ! **Mark your calendars....August 2nd, 16th and 30th.** Still 9-12 in the Fellowship Hall. The more, the merrier. Always lots to do and great fellowship, too.

On the cover: Jessie Wallace and Joanna Poh on a quilting Saturday.

Prayer Group Bring your own cup of coffee. Join us for half an hour in the TLC centrum **August 9th at 9 a.m.!** Hope to see you then! Saturday each month, please leave any prayer requests in the notebook on the high table in the foyer.

Saturday each month, please leave any prayer requests in the notebook on the high table in the foyer.

The upper LFL, located between the Education Building and the playground focuses on independent readers while the second LFL, located near the TLC Giving Garden, focuses on toddlers and emerging readers (picture books). If you have gently used children's books - anything from classics to graphic novels - please consider donating them to our LFL's. Donations are always welcome! Hello TLC Family!

As it DOESN'T say in that old tune by the Mamas and the Papas "All the leaves are GREEN and the sky is Blue" - that's from sitting here in my recliner, looking in my back yard at this writing

Some would say 'replace that fence!' "Maybe next year" - is what the Frater budget says.

August music is our topic of course. Hope our regular musical group members, all the rest who are considering joining (Handbells and Voices) have a calendar handy to jot down August 27 as the Wednesday we begin our Fall '25 rehearsal season. BFrater is keeping the same Wednesday schedule:

6:00 -7 pm for Handbells (centrum)
7:15- 8-15 pm for Singers (Multi purpose Room - formerly the Library)

Monthly schedule for the two groups at the 8:30 Traditional Service (Beginning in September) :

1st and 2nd Sundays: Singers

3rd Sundays: Handbells

4th Sundays : Both

5th Sundays: TBD

Thanks to Pastor Bohdan, to Elizabeth, to the sound, video, screen and online crew, to our musicians for their faithfulness and gas miles. Thanks to you all who choose to give glory and praise to God here at TLC at the Traditional and the GO services! Blessings to Tylor & Soyoung on the beautiful sounding new Kid's Choir! All Praise to our God who is our best friend and most supportive Listener!!

This tune popped into my head (someone remind me who sang it):

" Summer's here and the time is now -- for Dancin' in the Streets (or recliners if that's what's working for you)! "

Blessings,
Betsy Frater (858-444-0930;

Military Outreach Updates

Can you believe it's almost fall? No eye-rolling please, but yes, MOC has its date for the Fall Children's Clothing Fair and it's September 25th. It's almost two months away, an eternity for sure, that gives everyone a little time to start looking through closets and dresser drawers (or under beds) for any children's clothing that could be donated to this outreach to help local military families provide clothing for their growing children. **MOC**

will begin collecting new and/or clean, gently used

children's clothing starting September 8th. This semi-annual ministry event is 100% dependent on the generosity of our church community to pass on children's clothing, or to spread the word to neighbors, friends and relatives. Everyone's help is needed to shine a light on the clothing needs of our military children.

Speaking of bright lights shining, TLC's light was shining brightly this past spring. First, with a most generous response from our congregation, MOC was able to assemble and distribute 90 food packages to local military families. Twenty awesome volunteers packed food bags, wrote out "Thank you for Your Service" cards, and distributed food packages and Commissary gift cards. Heartfelt thanks to all who helped MOC provide for these 90 families.

The food distribution took place 2 days after the airplane crash in Murphy Canyon housing. Many families who received a food package that day had been affected by the crash in some way. Some of those who received packages were taking their bags to displaced families. Which leads to a second light of generosity.

The TLC Crash Response was . . . AMAZING! Through your support over \$9000 was raised to help families directly affected by loss of their home, household goods and/or vehicles. We are thankful for all who responded with checks, anonymous cash donations, online contributions, and our very generous gardeners at the TLC Giving Garden.

Hancock Elementary administrators identified 7 families in immediate need of assistance. VISA debit cards totaling \$7100 were purchased and given to Hancock for distribution through Principal Irene Hightower. Additionally, with the approval of Carolyn Behling and the Giving Garden, the remaining \$2000 was donated to S.T.E.P. (Support the Enlisted Project), which offered to match crash response donations. The \$2000 TLC donation became \$4000 that will benefit crash victims with their longer-term needs such as vehicle assistance, housing and financial training. All crash response donations to S.T.E.P. will be used exclusively for military families affected by the crash.

Your contributions have already made a difference by providing essential supplies to families in need. Your generosity helps us extend our reach and better serve our military neighbors. THANK YOU, all our shining lights.

If you are interested in being a part of MOC, we would love to see you at the next meeting, August 13th at 3:00 in the Fellowship Hall. You can also contact Beckie (619 204-4596, Marcia (619) 206-5790) or Wayne (858) 740-1068 for more information.

Director of Facilities & Equipment July Council Report

The DOFE team continues to work hard on items that need to be done around the church. The priority of DOFE has been on keeping the church buildings & landscape looking good, addressing issues as they arise, and doing preventive maintenance to avoid future problems.

As previously discussed, we are trying to work with the 7th Day Adventist to address the deteriorating asphalt at the entrance area to the parking lot that is used by both churches. The plan is to replace the asphalt in that area with reinforced cement that will withstand the heavy use it gets. Last month we gave Pastor Gary a proposal for the work that he could take to the 7DA Council and that resulted with a meeting with one of their Council members who is a General Contractor, and he agree the work needs to be done, but not immediately. We are hoping that we can put the work off until 2027 but we need to start putting money aside for it in 2026. Discussion on the proposal, timing, etc. will continue until an agreement is reached.

We are currently in a struggle with gophers and/or ground squirrels that are borrowing in the preschool area and in front of the offices. Thus far it's "Critters 3, Maintenance Team 0". We tried humane traps to catch and relocate, then tried gassing the critters, and lastly tried to flood the tunnel complex they have in the outside area and under the church, yet they keep returning. Anyone with any experience with getting rid of these critters, we glad accept inputs on how to swing the tide to our side.

Regarding maintenance completed, though many of the Chain Ganger were out on vacation enjoying the summer, we still had 9 members make the 19 July Chain Gang workday and were able to accomplish most of the assigned task. Those items are listed along with other issues address over the last month below.

We desperately need new young blood (meaning men between 18-65) to join the Chain Gang (who's average age is 74). We meet on Saturday morning once a month (normally the 3rd Sat from 8:30-10:30 am) to address church landscape and maintenance tasks. By signing up, you are not promising to be there every month but to make it a priority to be there when you can. If you are interested or have questions, contact Ed Holler, Wayne Duke, or Mike McCann.

Maintenance accomplished in addition to this month's Chain Gang work day include the following: (1) Sprayed weeds throughout solar panel area; (2) Replaced broken swing seat & reseated rubber mat under the swing in east play area; (3) Repaired leaking children's toilet; (4) Replaced broken motion sensor light in preschool restroom; (5) Replaced worn cover for the Church BBQ; (6) Repainted small TLC sign at entry of parking lot.

Randy Frater has done an outstanding job of maintaining the lawns, the irrigation systems, & spraying the weeds that have been springing up all around the church property. The lawns in front of the church and Youth Building look green and beautiful.

Accomplishments for the Chain Gang Workday on July 19th:

1. Trimmed tree branches that overhang Memorial Garden & storage shed.
2. Trimmed bushes near Pre School area.
3. Weeded & trimmed bushes near flag pole, transformer area
4. Weeded area between Youth Building & Church & behind Youth Building
5. Weeded front area between parking lot & the street
6. Trimmed bushes on western side of the parking lot
7. Clear off the area behind and alongside the dumpster compartment.
8. Weeded areas in parking lot islands

Peace and Health to All,

Ed Holler, Director of Facilities and Equipment
