"Becoming Whole: James Series Introduction"

James (NIV) - Various Passages

Worship Center Bible - pp. 977

Dan DeRoche

" Wounds from a friend can be trusted..." (Proverbs 27:6)

Let's Look At The Symptoms

The people in these churches:

1. Spoke harshly
2. Built walls of separation
 - "This letter is going to ask us to reflect on the price tags we attach to people as we experience church together." (David Gibson)
3. Were not living out their faith

Make The Proper Diagnosis

Diagnosis = Double-mindedness

"Teach me your way, LORD that I may rely on your faithfulness; give me an undivided heart that I may fear your name." (Psalm 86:11)

"Blessed are those who keep his statutes and seek him with all their heart." (Psalm 119:2)

"The reason the prayers of the double-minded are not answered is that such people vacillate between trusting God and looking elsewhere. They do not truly, wholeheartedly, want what they ask of God." (Richard Bauckham)

The Right Course of Treatment

A LIFE OF REPENTANCE

"Prove by the way you live that you have repented of your sins and turned to God."
(Matthew 3:8 NLT)

Invitation:

1. Ask this question - What is going on in my heart?
2. Invite God into the brokenness
