Who Are We, Really?
John 8:30-59 (NIV)
Worship Center Bible p.868
Dan DeRoche

Lie: “Who I am is determined by how I do.”

1. We need truth to become fully alive (vv.30-32)

- Truth is a person: Jesus Christ
- Yale University - Lux et Veritas
- Knowing truth (Jesus) will bring life transformation

2. In our sinful natures there will be resistance to the truth
(vv.33-47)

Addictive behaviors - the way in which repeated actions create channels in the psychological and biochemical structures of our minds - proves the profoundness of Jesus... “whoever sins is a slave to sin.”

3. Jesus is the only source of truth, life, and identity (vv.54-59)

- Genesis 18:16-33 & Genesis 22:1-19
- Before Abraham was born, I am!

"It is only as we trust in Jesus as the truth more and more each day, that we are set free from the power of sin."
