1. This mission involves every follower of Jesus Christ.

AS YOU GO...Make Disciples

2. This mission is also a corporate call to the church to go to the nations.

3. This mission is a call for all disciples to walk in obedience.

Survey answers from Evangelical Christians in the U.S.

~65% of Christians agree that everyone is born innocent in the eyes of God
~56% agree that God accepts the worship of all religions
~43% agree that Jesus was a great teacher but was NOT God
(30% in 2020)

Making disciples is a process of teaching people the Bible so it results in deeper levels of devotion and commitment to God. We do this until we die or Jesus returns.

Mission Statement of Crossview Church:

- ~Give of yourself (time, treasure, and talent)

"Being a Christian is not an activity a person does for God, but what a person is in God."
