

1

Take a moment to talk to God and tell him where you are as you begin these four weeks of prayer. How do you hope He might work in your life during this time? What do you need to hear from Him?

2

Reflect on three things, big or small, that you're grateful for today and thank God for those things.

3

Pray for God to be at work in Wisconsin Rapids and throughout Wood County - for His Kingdom to come here as in Heaven.

4

Pray for peace in the midst of ongoing war happening around the world. Ask God to provide wisdom for world leaders to make decisions that might lead to peace and stability.

5

Pray for a specific family member to come to know Jesus and opportunities to share your story with them.

6

Take a moment to acknowledge any ways you've fallen short this week and ask for God's forgiveness.

7

Take five minutes today to be silent and listen for God's voice as you reflect on these words from Psalm 46: "Be still and know that I am God."

8

Pray for our church that God will strengthen us and unite us as a community.

9

Psalm 145 says, "Great is the LORD and most worthy of praise." Take a moment to praise God for who He is or something He's done. "God, I praise you because..."

10

Ask God to give you eyes to see the needs of people around you today and ways that you can be part of the Kingdom work He's already doing.

11

What in your life or the world around you is causing you to grieve? Bring that thing to God in prayer today.

12

Pray for a neighbor, classmate, or co-worker to develop a hunger for God. If you don't know many of your neighbors, pray for an opportunity to meet some of them.

13

What's one area of your life that's in need of God's transforming power? Ask Him to change and transform you to be more like Jesus.

14

Spend a few minutes in silence and ask God to bring someone to mind that might be in need of comfort or encouragement today. Is there an action He's asking you to take?

15

Pray for our church's leaders. Pray for wisdom, discernment, and that they'd be filled with your Spirit as they make decisions and lead us.

30 DAYS OF PRAYER

16

Thank God for the ways He's provided for you recently.

17

Pray for your city's leaders, first responders, and medical workers. Ask God to grant them wisdom, courage, compassion, and rest.

18

Pray for the witness, peace, and safety of those facing persecution around the world.

19

Pray for a close friend that God would soften their heart and mind so they may be open to the Good News of the gospel.

20

Confess any ways you've fallen short in your relationship with someone else - any unkind words or flashes of anger - and consider reaching out to that person

21

For a minute or two, try praying through the words of 1 Peter 5:7 as you breathe slowly. Exhale: "I give you my worries and cares." Inhale: "Because you care for me."

22

Ask God to help our church love and reach our community effectively.

23

Thank God for a person or relationship you're particularly grateful for today.

24

Pray for the schools and teachers in your neighborhood and community as they head back to school for the year.

25

Pray for victims of injustice, the poor, marginalized and oppressed in our own communities and around the world. Pray God would bring justice and hope.

26

Pray for those who've never had an opportunity to hear the gospel, that Christ-followers would be sent out with the Good News and they'd have opportunities to hear.

27

Confess any ways you've been distracted from God and pray that He would grow within you a renewed focus and hunger for Him.

28

Psalm 46 says, "God is our refuge and strength, an ever-present help in trouble." Ask God for ways you need His help today.

29

Pray that our church family would grow in love for one another.

30

As we conclude this season of prayer, praise God for what He's done over the last 30 days and how He's revealed Himself to you.
