

MOBILIZE THE CHURCH USING PRAYER CARDS

PRAYING FOR EVERY STUDENT ON CAMPUS BY NAME

How incredible would it be if you mobilized hundreds of people from your local churches to adopt EVERY STUDENT on your campus by name in prayer? That means that every day during your outreach events, every student on campus would be

covered in prayer – that God would open their eyes and heart, that they would come to the outreach, and that they would give their lives to Jesus Christ. Wow. You can accomplish this by printing Prayer Cards!

HOW DO I PRINT PRAYER CARDS?

- 1 Talk to your pastor and ask if you can speak in the main congregation at church the Sunday before your outreach week, to share the vision of your outreach, and ask the church to pray, both for your outreach week and for each student on campus. Introduce the Prayer Card Challenge to him, and ask if you can challenge the church to pray with these cards!
- 2 Get last year's yearbook. That's where you will get the names to print your cards. It's best if you can also get last year's junior high yearbooks from your area so that your church can pray for this year's freshmen class too.
- 3 Find a person to type all the names from the yearbook(s). You can do this as club leaders, you can ask your parents, or you can ask someone from your church.

You can download the Prayer Card Spreadsheet and instructions online in Additional Resources under Templates.

- 4 Print your Prayer Cards with the instructions provided on the CSP website. You may want to ask your church if you can use their copy room, printer, and cardstock paper to print.
- 5 Pass out your cards at church and ask the entire congregation to adopt students by name and pray for them daily.

Advice: Start this process early. It takes a while to complete all the steps, but it is WORTH IT!

HOW MANY PRAYER CARDS SHOULD WE MAKE?

There are roughly 2,000 students at your school.

**DO
THE
MATH**

5 names on each card = 400 cards to print and distribute.
You can print 4 cards per 8 ½ x 11 sheet of paper.

You will need 400 willing people to join your Prayer Card Challenge! So, partner together as club leaders and go to each of your churches to cast the vision for adopting students in prayer. Together you can do it!

Example:

**PRAY FOR
HIGH SCHOOL
STUDENTS**
to know Christ

**'Til Every Student
Has Heard**

La Serna High School
CORNERSTONE CHRISTIAN CLUB
OUTREACH WEEK APR 4th - 8th

Please pray that these students hear and respond to the good news of Jesus!

Warner M Junior
Chase G Junior
Elyse D Senior
Hanna S Sophomore
Pete E Freshman

Pray for These Students:
Each Day of the Outreach Week
and For the Rest of the School Year

Legal information:
Only include students' first names

You are using last year's book, so make sure you include the student's current grade level (freshmen are now sophomores). Also, don't type the names of last year's seniors because they have already graduated.

Believe it can happen

God exceeds the prayers of students in significant ways

Having never done outreach at their school before, the Christian club members at Redondo Union High School didn't know what to expect for their two days of rallies. They prayed that at least 60 people would come hear "Why We Need a Savior" during their Outreach Week.

God answered their prayer by bringing 70 students to the first rally.

One of the Christian club members stood up in front of her peers and shared how God saved her from a bad self-image, an important message because self-image is a

big issue among many high school students.

At the second rally, **120 students** came into the auditorium for pizza, a raffle, and gospel testimonies. One Christian club member played worship music while the students walked in, and then he shared his testimony about how God changed his life. After that, a guest speaker shared about God's love and the Good News of Jesus.

The Christian club at Redondo Union was encouraged to discover that they can make a difference for Christ at their campus. As Isaac, the Christian club president, exclaimed, **"I can't believe our club put this together. God is good!"**
