

WORLD HISTORY INSTITUTE

March 2016

Dear Friend,

In this year of decision and destiny, Christians are awakening to their responsibility to be engaged in choosing the future leaders of our government at all levels. We have seen a growing urgency with our prayer campaigns—especially in the hundreds of thousands of people who committed to pray for America in our *Pray 31* initiative. I will once again be National Chairman of that vital campaign, and this year it will be bigger than ever.

Recently I had the privilege to speak to one of the nation's premier Christian schools in Oklahoma City. Through the World History Institute we have been working together for four decades to help develop hundreds of these schools that are dedicated to teaching America's Christian history and graduating true world changers for Christ. They are a real and lasting hope for our nation!

While in Oklahoma I also met with leading pastors who have trained 900 pastors and their churches in our Christian heritage and the need for believers to get involved in restoring America. I have been privileged to teach these leaders and hundreds like them for decades.

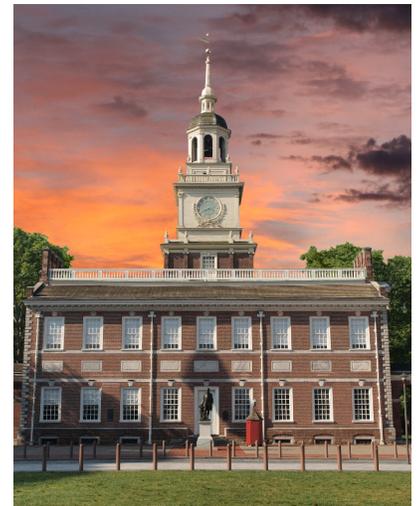

I am seeing similar hopeful movements take shape in states including Virginia, Texas, Florida, Colorado, Idaho, Arizona, California, South Carolina, Oregon and many more. We must never give up on the power of God's liberating history and truth to change the course of nations.

Your help is vital especially this year. The demands on our time and resources are stretched to say the least. As I mentioned already we are spearheading once again the national prayer movement called *Pray 31*. This is a costly but crucial effort. We truly need your support to reach millions of believers and call them to fervent prayer in this year of decision!
