

December 2016

Dear Friend,

As I write this brief note to you my heart is filled with the words that the Apostle Paul wrote to the Philippians:

*“I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel...”*

To that I say, Amen! When Trish and I remember you in all our prayers for you, we pray with joy, thanking God for your partnership in the gospel. You play a vital role in this ministry that is dedicated to restoring a true understanding of Christian truth and recovering our forgotten Christian heritage.

Your faithful prayers and generous financial support have made such a difference in so many lives! Over the years we have been blessed to present hundreds of seminars to homeschoolers, Christian schools, churches and other gatherings from coast to coast. Countless children and youth whom we have trained have grown up and are now teaching these truths to their own children. They number in the millions.

When we founded World History Institute only about one fourth of Christians were voting. That percentage has risen dramatically, and I believe that the proclamation of God’s mighty deeds in founding our nation was a key reason that Christians recently have prayed more fervently and voted more diligently.

Psalm 78 tells parents to teach “the mighty and wonderful deeds of God” to their children. Why? “That the generation to come might know them (the works of God in history) ... that they might set their HOPE in God and not forget the WORKS of God, but might keep His Commandments.”
