Introduction to the Book of Acts - Part 2
January 11, 2026

Key Takeaways:

1. The _____ endeavors of the early church were led by the Holy Spirit, supported by the local church, adaptive to the different cultures, and _____ under persecution. Evangelism and missions in the early church was both public and personal, local and global.
2. Discipleship in Acts was deliberate and intentional, _____, led by the Spirit, grounded in Scripture, costly, and multiplying. The process of discipleship _____ believers who lived out and proclaimed the gospel together.
3. Persecution in Acts is persistent, escalating, and diverse—ranging from verbal threats to execution—but it consistently results in the _____ of the gospel and the _____ of the church. The book of Acts reminds us that opposition to the Gospel cannot stop God’s mission of redemption.
