

March 26, 2020

Dear Montana Conference Members,

It is with heavy hearts that the Camp Meeting Committee and the Montana Conference Board of Directors reached the conclusion that it would be prudent to postpone our 2020 camp meeting until the regular time we would meet next year. This decision was reached after engaging in prayer and in consultation with many.

As you may already be aware, the coronavirus (COVID-19), pandemic has even forced the cancellation of the General Conference Session that was to be held in Indianapolis, Indiana, a couple weeks after our camp meeting. Please pray for the leadership of General Conference and its Divisions as they seek to navigate how to best conduct the business of our church in light of the restrictions and dangers that seem to be on every side. The pandemic continues to impact our world in profound and unexpected ways and your faithfulness to God is needed now more than ever as we face these uncharted waters.

Even though there are uncertainties in the horizon, we continue to take comfort in the assurance of God's Word amidst the upheaval in society, and we look with great expectation to the time when God's people fully unite together in pushing forward towards the prize that has been set before us. The distinct messages of scripture that we have treasured for so long are needed by those around us now more than ever. It is our hope that even though our camp meeting gathering is unavailable to us this summer, that we would all seek the Lord in prayer regarding how He desires each of us to partner with Him in spreading a message of hope and wholeness to the world.

The Conference Office continues to be available to continue to support our members, churches, and schools and if anyone has further questions or concerns please feel free to contact us by phone at 406-587-3101 or by email at [info@montanaadventist.org](mailto:info@montanaadventist.org).

Your brother in Christ,

Elden Ramirez  
President
