

Westhill Family,

On behalf of the Elders, we simply want to take a few moments to say **thank you**.

The generosity you have shown in giving toward the rebuilding of our steeple and the necessary exterior repairs to our church building has been truly remarkable. When this need was presented to the congregation, you responded with willing hearts and an overwhelming spirit of generosity.

We are reminded of the words of Paul in 2 Corinthians 9:7: *“God loves a cheerful giver.”* We have certainly seen that spirit demonstrated here at Westhill.

We understand that a church building is simply a building. **We are the church.** But we are also grateful for the place God has provided where we can worship together, study His Word, teach our children, encourage one another, welcome visitors, and serve our community. We have a responsibility to be good stewards of what God has entrusted to us, and your generosity is allowing us to make these needed repairs and care for this facility for future generations.

But more than the amount that has been given, we are thankful for the **heart behind the giving**. Every gift, regardless of its size, represents someone who cares about this congregation and wants to be part of its work.

As Elders, it is a tremendous blessing and encouragement to shepherd a congregation that responds so faithfully when a need arises. Time and again, Westhill has demonstrated a willingness to serve, to give, and to work together.

So, from the bottom of our hearts, **thank you**. Thank you for your generosity. Thank you for your faithfulness. Thank you for your love for this congregation. And most importantly, thank you for your commitment to the Lord and His work.

May everything, we do at Westhill—whether maintaining this building, serving our community, caring for one another, or sharing the Gospel—always be done **for the glory of God**.

We love you, we appreciate you, and we are thankful to serve alongside you.

May God continue to bless the Westhill family.
