The Out to Lunch Bunch Hiking Club meets every Wed. & Sat. morning at the east end of the Davison Library parking lot – leaving promptly at 8:45 am. We carpool to the trailhead, hike and then make a stop for lunch at a local restaurant, returning about 1:30 pm. The hikes are approximately 5 miles and vary in difficulty. Be aware that snow and ice will add an additional level of difficulty to any hike. Wear appropriate footwear and clothing. You are encouraged to bring your own water and a small snack (apple, snack bar, trail mix). A \$1 donation is collected per hike for a college scholarship fund. We welcome you to join us for conversation, exercise and enjoying God’s beautiful nature.
