The Out to Lunch Bunch Hiking Club meets every Wed. & Sat. morning at the Davison Library parking lot. We carpool to the trailhead, hike, and then make a stop for lunch at a local restaurant, returning about 1:30 pm. Wear appropriate footwear and clothing. You are encouraged to bring your own water and a small snack (apple, snack bar, trail mix). Be aware that snow and ice will add a level of difficulty to any hike. A \$1 donation is collected per hike for a college scholarship fund. We welcome you to join us for conversation, exercise and enjoying God’s beautiful nature.
