Funeral Luncheon and Reception Information

With
our
Sympathy

Our sympathy and prayers are with you as you plan the funeral of your loved one. The St. Gabriel the Archangel Parish Funeral committee welcomes the opportunity to provide a luncheon or dessert reception for your family and friends following the funeral.

The Parish will provide desserts and beverages for the reception, free of charge. If you prefer to have a luncheon, we can help facilitate that. The parish will still provide the beverages and desserts, and the family will cover the cost of the luncheon. Beverages we provide are: coffee, water, ice, milk, and lemonade.

The pastor will contact the Funeral Committee after you meet with him, and someone will call you to help you plan and arrange your event.

If you choose a luncheon:

- The Funeral Committee can assist you in your choice of a caterer and food choices. Caterers that are often used: Nelson's Meats, Driskills, Davanni's and Lunds and Byerly's; but we can work with other caterers.
- The reception-luncheon is served in the Social Hall at the St. Joseph Campus, and the Community Room at the St. John Campus.
- Luncheons are served buffet style. The Funeral Committee will set up the room with serving tables and lunch tables, including table cloths, napkins, silverware, and any other serving pieces needed.
- The Funeral Committee will meet the caterer, take care of all set up, and clean up.
- We will also set up a table for any memorabilia, flowers and cards.

There is no charge for this funeral ministry.
If you would like, you are welcome to make a
donation to the parish.
