***Embracing Exile* by Scott Daniels**

Facilitated by Pastor Shirley and Joe DiLoreto

Exile can be a frightening prospect. Like the Israelites in Babylon, Christians today may feel they are in unfamiliar territory, surrounded by a culture with customs and practices foreign to their faith. In these times of dislocation and powerlessness, God wants to help his people experience anew the possibilities of covenantal faithfulness. In *Embracing Exile*, T. Scott Daniels invites the church to embrace this modern time of 'exile' and to seize this unique opportunity to be a blessing to the culture around us.

Books can be purchased on Amazon or at Foundry Publishing.
