

Lord, open my eyes and help me to recognize my neighbors. Open my heart so I can feel their suffering and understand their needs. Help me to see that my freedom in You is actually a yoke of service to others You have placed in my life. Help me to honor You by honoring them. Seal this assignment in the center of my soul, Lord, so that every day I may love my neighbor more, and in doing so, I may love You more as well. ~ The NIV Worship Bible

TAKE NOTE!!

There will be no Wednesday Midweek Word and Prayer at 9AM Wednesday July 22nd.

BAPTISM - We hope to include baptism as part of our **August 23rd** worship gathering. We will be baptizing by pouring as candidates kneel at the altar! If you have not made a public profession of faith and would like to do so that day, email Pastor Mary at pastormary@community-chapel.org.

WHY REGISTERING FOR CHURCH IS IMPORTANT!

Please review the information below. It is a complete guide to how we are seeking to safely gather physically while learning how to adjust to the “new ordinary” of church life. Remember, our focus is to **love our neighbor as ourselves** by safeguarding the well-being of others.

What to expect...

- **Registration is required to attend on site.** Registration will open Mondays at **10AM** and close **Thursday at Midnight (or when we reach capacity)**. Please go to our website to register at www.community-chapel.org. This **allows volunteers** to facilitate reduced seating, minimize the need to turn anyone away and allow for sanctuary set-up for social distancing. If you have any difficulties registering please call the church office between 9:00 and noon for assistance. You should receive a confirmation e-mail after you register.
- We will continue our current gathering rhythm and have **one service at 9AM** in the sanctuary allowing us to appropriately prepare and sanitize the space and to learn in real time our process.
- We understand **things will look and feel very different** but know that we are doing everything to promote your well-being, as well as the well-being of others as we seek the highest and best good for all who attend.
- In our physical gathering, you can expect shorter gathering times, **specific and essential preventative measures** (wearing face coverings, basic medical screening upon entry, practicing 6’ social distancing, etc.).
- Our **coffee service will be suspended** until further notice and we ask that you **do not bring any beverages into the facility**. And our main restrooms will be closed.
- We recommended you leave purses, back-packs, etc. in the car. **Bring in only what is essential.**

- Using the most current data regarding the dynamics of a worship service and transmission of the COVID-19 virus, **our worship practices will be altered**. For example, we will initially suspend congregational singing, seeking other ways to enter into worship together. What new ways we will discover (rediscover?) the heart of worship!
- In the sanctuary, people will be seated a minimum 6' apart. **Same households will be required to sit together**. Your household will be assigned a seat ahead of time and an usher will direct you.
- Moving forward, **we will continue with our online presence**, allowing those who choose to not gather physically to remain gathered virtually. This includes our Zoom groups for all ages.
- There will be **no Nursery, Children or Youth Ministry on site** until further notice. Please check out the opportunities listed in this newsletter.

We also ask that those who are **experiencing the following symptoms or conditions join us online** for our Facebook Live Gathering rather than attend.

- *Fever (feeling feverish or a documented temperature of 100.4 F or higher.)*
- *Symptoms: runny nose, nasal congestion, sore throat or shortness of breath; headache, vomiting, diarrhea.*
- *Muscle aches, chills and severe fatigue.*
- *Changes in sense of taste or smell.*
- *If in the last 14 days you have been in close contact with a confirmed case of COVID-19 or have traveled internationally or by cruise ship.*

Lastly, if you are **vulnerable or immunocompromised please consider joining us online** for our Facebook Live Gathering.

Faithfully His and Yours,

The CC Leadership Team

Stay connected by joining Simple Church Directory Group!

Please email Pam Ogden at pamo@community-chapel.org and she will assist in getting it set up.

As we continue to assess the nature and direction of the developments in our community, we are doing the same for the life of our church. Let us be examples of loving our neighbors by practicing social distancing, following the directives and counsel of our civic and government leaders.

We will continue to gather online until the restrictions on physically gathering are expanded or lifted and our Leadership Team deems it wise and safe for us to do so.
