by The Foundry Publishing

The armor of God is a fantastic metaphor for how we are to live our lives as Christians. We are fighting a war against the unseen enemy of our soul. Satan is out to destroy every good thing. But we are not defenseless! In this study, we will walk through God's armor described in Ephesians 6 to explore how each piece can protect us and strengthen our spiritual lives!

Prayer is more than just telling God what we think, feel, and want. It is also hearing what God has to say to us. This study explores how we can incorporate the many dimensions of prayer into our everyday lives. Join us to gain hope and inspiration!
