A NOTE FROM PASTOR BRANDON

As we jump back into our *From the Cradle to the Cross* series, we get to look at the miracles of Jesus. Over the next seven weeks, we will see that His miracles were more than just saving someone from a disease, a storm or even death. Each of his miracles were a declaration that He has power over all elements in our world, both the seen and unseen. This week, He shows His power over the wind and the waves.

FALL CLASSES

NOURISHING YOUR FAITH — CHRIST ABOVE ALL

Mondays | Through October 6 | 5:00 PM | Fireside Room

Join Tom Deans for this 10-week study taken from the book of Colossians. In Colossians, the Lord led the apostle Paul to paint one of the most vivid portraits of Jesus Christ in all of Scripture in order to help believers understand that Christ is above all and superior to any belief system promoted by any false voices. In this new book by Dr. Jeremiah, *Christ Above All*, he goes verse by verse through Colossians to help you come to better know who Jesus is theologically, and how to live in light of this. Contact Tom Deans.

JOHN, THE BELOVED — A STUDY OF THE GOSPEL OF JOHN

Wednesdays | Beginning August 20 | 4:00 - 5:30 PM | Fireside Room

John presents a different gospel than that of Matthew, Mark or Luke. He wrote his book when he was an elderly man, most likely in the 80-90s AD. Other gospels were written 30 or more years earlier. Why another Gospel? Let's study together to find out more about this remarkable disciple, his family, his position and relationship with Jesus, and his passion for skeptics to know Jesus from the vantage point of one who knew Jesus, firsthand. We will delve into the background of John, who could be opinionated and loud spoken as a young man, and who changed to become the beloved disciple as a result of Jesus' tutelage. Come to the study with your Bible from 4:00 to 5:15 PM, and stay for *Wednesday Night Live* dinner, fellowship and family activities. All are invited to this seven-week study of John's Gospel. Contact Pamela or Neil Nevills to sign up for this class.

ANXIETY CLASS

Wednesdays | August 20 - October 1 | 6:15 PM | Sanctuary

Due to the current state of technology, news media, and social disunity, anxiety has become more prevalent in our society. While the growth of anxiety is on the rise, anxiety itself is nothing new. In scripture, in both in the Old and New Testaments, God's people suffered from anxiety. But God has given us powerful minds to change our perspectives to see anxiety as an opportunity to see his will. Romans 12:2 says *"Do not conform to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is—his good, pleasing and perfect will."* Join me as we learn how to overcome this age of anxiety. Contact Pastor Brandon.
