A NOTE FROM PASTOR MIKE

The story of how God used Moses to deliver his people from slavery to the Egyptians is one of the most fascinating stories in the Bible. Moses was a reluctant leader and initially cited his personal inadequacies as a reason God has chosen the wrong guy. But Moses' story shows us that God uses unlikely people to accomplish His purposes in His power, not theirs. Even when Moses was rejected by his own people, God used his 40 years in the desert to refine him as a leader and appeared to him in the burning bush. If God could use Moses, might He be able to use you? Like Moses, we have our own weaknesses, but in God's sovereignty God uses them to show off His mighty power!
