Our Mission

To Speak, Teach and Witness to All,
the Gospel of the Christ.

Our Message

- We are committed to bringing all people into God's love.
- We are Disciples of Christ, which means we overlook lines separating different denominations and beliefs to work with others to accomplish God's overarching plan.
- We are a Community of Believers that has existed for nearly two centuries, and we continue to draw strength from God by following the example of our many spiritual ancestors.
- We serve our community however we can, opening our doors to ALL of God's Children.
- We optimistically look forward to what we can accomplish in our next century together as we continue to follow Jesus' teachings and show our love for all of God's children through service to our community.

Vision & Values

To equip the Saints to be the Hands and Feet of Jesus the Christ in our community and throughout the World.

Deep Thoughts ...

Dear God, I have a
problem - It's me.

Life is uncertain—eat
dessert first.

As a child of God,
prayer is kind of like
calling home everyday.

The most important
things in your home are
the people.

Blessed are the flexible,
for they shall not be
bent out of shape.

Stop and look

Look all around you.

Do you see it?

Did you notice?

God is making all things new.

Always, God is making all things **new**.

The challenge we often find ourselves faced with is seeing God at work in our lives, in lives around us, in our community, and in our world.

In the book of Revelation, chapter 21, the writer sees "a new heaven and a new earth," and from the one who is seated on the throne, he hears, "Behold, I make all things new" (21:5, RSV). From this verse comes our diocesan theme for 2017.

Behold! God is at work. He has already overcome death, and we believe in his saving grace. We see a new horizon, whether this resembles a welcome small change in our lives worthy of praise or a grand movement proclaiming God's kingdom here on earth. God is making all things new, each and every day.

Pause. Take a deep breath, and look all around you. What is new in your life? What is changing? What has God set in motion?

Happy February Birthdays!
