BONAIRE IN PRAYER

Our altar is always open for prayer at the end of worship; come forward as God leads you. Our prayer team is available during the closing song or afterwards to join in prayer for you or for someone else. If you would like to become a member of this family of faith, speak with the minister or any church leader about joining.

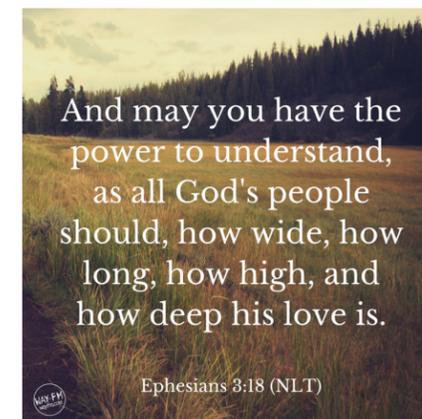

PASTORAL CARE

Would you allow us to pray for you or someone you love? Use the Connection Cards for prayer requests, and our staff and Care Team consider it an honor to pray for your need. Do you have a praise about someone on the list who can now be removed? We'd love to hear that, too!

My prayers for our church have been gravitating around unity. This week, I found inspiration and affirmation in my own busyness. I started my Wednesday early, as the speaker at the Prayer Club at Bonaire Middle School. We talked about how God makes all things new, and that includes our minds. I told them a story about our dog, Molly, and even brought a prop along to illustrate it. Afterwards, a young person I had not met before came up to ask for help about something related to prayer. Being present and able to share the Good News with kids on behalf of our church is something I do not take for granted. Later that morning our staff was making plans for a community-wide event for parents in February. Along with Ben Lashley and the Houston County Sheriff's Department, we will host a night to learn raising safe kids in this digital world. It is going to be great.

After lunch, I was blessed to spend some time in the hospital. Connor and I find that each visit there is an opportunity to offer care to someone in our church family, as well as offering encouragement to the staff who are working so diligently to bring about healing and wholeness. I ended back up in the office, blessed to sit and listen to a high schooler who is pursuing the God & Life status in Scouting, having already earned the rank of Eagle Scout. I listened as he spoke about his experiences and his faith.

The Apostle Paul prays in Ephesians 3 that the church would "have the power to grasp love's width and length, height and depth, together with all believers." I am convinced that being a part of a great local church, like Bonaire, is the very place where the width and depth of the love of God is revealed. Our witness is out in the world, and our care for each other is strong. Grace and peace, Scott
