## **Dear Parkway Family:**

For many years, Parkway Baptist Church has been one of the leaders in our city and state, supporting the Acts 1:8 mandate. We believe it to be so important that as a part of our mission statement, we say that **Sharing Christ Globally is a top priority for every one of us. Thank you for your years of giving to our Acts 1:8 Commitment. It is because of your faithfulness in giving we have seen God do great things through us, for His glory.**

Enclosed you will find what our Acts 1:8 Team believes to be strategic partners and projects for 2026. When you give to the Acts 1:8 Fund, 100% of the funds are used for the following purposes, and are completely tax-deductible. We ask that you would take some time and pray about contributing above your tithe to this very important goal.
