#### Parkway Family:

As announced on Monday, our St. Louis County leaders have shared the need to take additional steps to help prevent the spread of COVID-19. Those steps include limiting gathering sizes to 25% of normal room capacity for at least the next four weeks.

With these recommendations in mind, we are happy to announce that we are able and will continue to worship on Sundays at Parkway Baptist, with the safety plan we have in place. In our regathering plan, we have three staffed areas to worship in each week. The service may be attended in our worship center, as well as in our fellowship hall and gym (which has the service livestreamed into it). Under the current guidelines, we are able to have up to 267 individuals to gather throughout our three rooms for worship, which is many more than we have had join us in person for worship since our regathering began.

No matter if you join us in person this week or continue via our livestream, we are excited to worship Jesus together!

If you would like to join us, it is as important as ever to save your seat by calling 314-434-2310, or go to [www.parkwaybaptist.net/sundayworship](http://www.parkwaybaptist.net/sundayworship) and register online. Once seating capacities are full, we will be unable to seat anyone else.

Your staff loves you, cares for you, and are praying for you!

Pastor Dwight Blankenship and the Parkway Staff
