Announcements

REDEEMER: Preschool Enrollment – Reminder, we are actively taking enrollment for the preschool at Redeemer. Thank you! Pete Naumann

REDEEMER: New Summer Bible Study at Redeemer – Join us after services on Sunday for a short 19 minute Bible class focusing on foundational truths of the Christian faith.

GRACE: New Sunday Morning Bible Study – Beginning this Sunday, we have moved our Sunday morning (Yakima) Bible study to after the 9:30a worship service. Also beginning this Sunday, Pastor Zastrow will begin leading us through "The Council of Nicea and Its Creed," a study by Glen Thompson and Austin Claflin. Come learn about one of the most definitive (and in some circles, mythologized or demonized) church councils in the history of Christianity.

ALL: Upcoming STEM Camp (Ellensburg) - July 13th/14th – High-school aged youth from Grace/Redeemer (and those entering high school) are also invited to attend and participate with a Mission Journeys group from Minnesota and Michigan who will be hosting a STEM camp in Ellensburg. They will arrive on the 8th of July, taking outreach training from Dave Malnes, and staying on our property up there, etc. Fun is also planned, including a river floating day (details in a different announcement). Just contact Pastor Zastrow or Dave Malnes (dave@praiseandproclaim.com) for details, or if you'd like your young person to participate.

ALL: Youth & Family River Float (July 14th) – Young people and their families of Grace/Redeemer are invited to float the river on July 14th. A group of high-school aged youth from Minnesota will be with us on a mission trip that day as well. Pastor Z's river tubes will be prioritized for that group, so consider grabbing your own tubes if you see an opportunity! (Pastor estimates that he will still have seven or eight spare tubes for congregational use, though.)

ALL: Art Camps Upcoming (Ellensburg/Yakima) – A Mission Journeys group from Oconomowoc, WI, will also be lending their hands to separate two-day art camps during the last week in July. In Ellensburg, that art camp will run from 9a-12p on Mon/Tues, July 28/29. In Yakima, that art camp will run from 6p-8p on Tues/Wed, July 29/30. We have a few people signed up to provide meals, but we could use more. We could also use more hosts. Thanks for considering! You can find a sign-up sheet at the back of the church.

ALL: Camp Christos Registration (Extended) – Kids aged 9-16 are invited to register for our PNW District summer camp (Camp Christos). This year the camp is being held at Dworshak State Park in Idaho on August 3rd through 8th. The theme this year is "FAITHCRAFT," a take off the popular Minecraft computer game. Find more information and register at tinyurl.com/CampChristos. The deadline for registration has been extended somewhat because there is still room and because a grant has been received to pay for attendance of kids who otherwise would not be able to attend because of cost. Please speak to Pastor Zastrow (or Pastor Aaron West, St. Matthew's, Spokane) if you know someone who fits the bill.

PRAYER REQUESTS

Frank Conrad - has had several incidents in the last couple weeks that have left him flat on his back and left his doctors perplexed. Keep both Frank and Ann in your prayers as they figure out what is going on and how to deal with it.
