Young Adults

Who is welcome?

Anyone in the young adult stage of life - post-high school and navigating adulthood. Whether you're single or married, strong in your faith or new to Christianity, if you feel like a young adult, you are welcome.

What is this group about?

Growing together in faith, community, and understanding of God through the Bible, honest conversation, and mutual support.

What happens when we meet?

Most nights we will study a book of the Bible, focusing on one chapter each week. There is some prepared teaching, but plenty of discussion, questions, and open conversation. We will also spend time socializing (with snacks!) and praying for one another.

What's the vibe?

Casual, welcoming, and low-pressure. This is a space for questions, doubts, exploration, and deepening faith - no pretending and no prior Bible knowledge required.

When and Where?

We will meet every second Tuesday from 6:30-8:30pm at OAC

Who can I contact with questions?
