

WESTPARK SCHOOL

Off Campus Privileges

Dear Parents/Guardians;

Off-campus privileges during lunch or a spare are available to students in **grades 9 through 12** who have parental consent. This may be suspended by a Parent, or the Administration, if a student is consistently late returning from off-campus, or has more than 3 unexcused absences, or is receiving a failing grade in any class.

Signing this agreement indicates that you have read and understand Off-campus privileges.

I have read and understand this privilege and give my child permission to leave campus during a spare or lunch. I waive all responsibilities of the school and will not hold the school negligent should my child be injured while utilizing this privilege.
