SPRING 2021

After the freeze, we lost all our corn and sorghum.

A month later, our corn is growing. We will have tortillas!!!

One month later sorghum is looking good. Food for our livestock and later, bacon and eggs for us!!!

Five days without electrical power and frigid temperatures never seen down here; but Praise GOD for HIS care, no one got sick or went hungry. Our 50 years old IH tractor kept the generator running, so kitchen, water pumps and water filtration system worked the whole time.

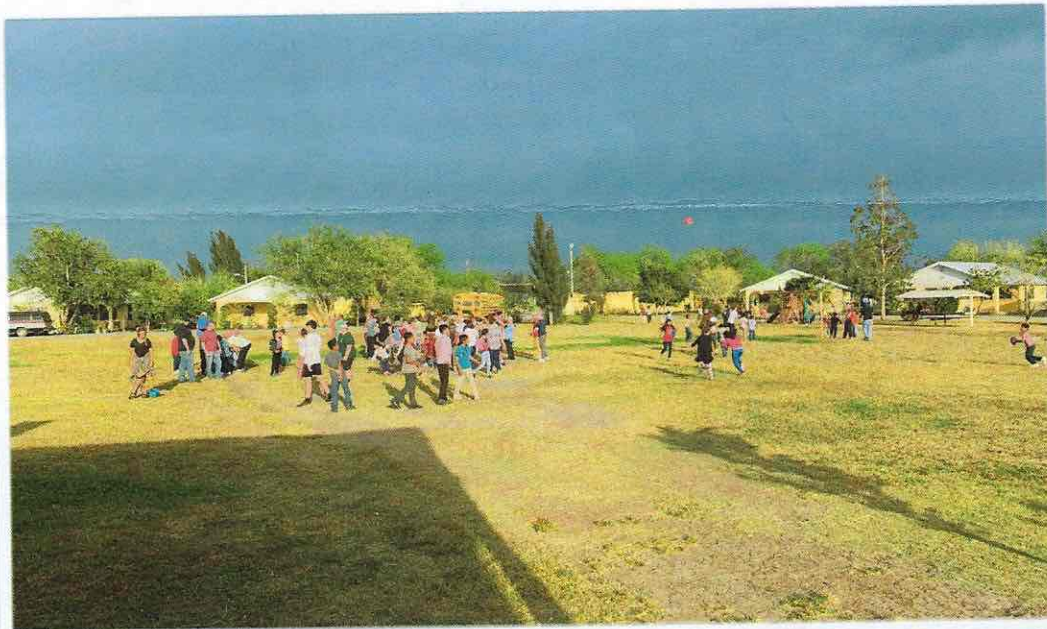

We lost all the crops, most of the chickens, pigs and goats. GOD PROVIDED through HIS people to purchase more chickens and replant our corn and sorghum. If GOD allows it, we will have corn for our own tortillas and feed for our livestock.

Thank you for your PRAYERS and concern for our well being during those cold days. GOD heard you and kept us "under HIS wings". Blessings to you and your families!!!

Saul and Maria Camacho

CORONAVIRUS UPDATE... It seems like our country will be open for "land crossings" in the border areas until October 2021. This is the latest news. Sad if true, because I was already making plans for this summer evangelism and work projects. I will keep you updated of any changes.

Remember you have family down here that needs you!!!

Precious kids, whose lives GOD has placed under our care, to love and nurture, to

train them in the way they should go. A responsibility I do not take lightly .

Thank you for helping us to raise godly boys and girls!!!

We all can say that 2020 was a difficult and challenging year. It made us change the way we did some things. We don't know about 2021. One true thing is that we keep in taking decisions everyday, pandemic present or not. My challenge to my children has been about what decisions they will make. Positive? Negative? Their spiritual growth does not happen naturally, it has to happen intentionally. We are providing them with the necessary tools to grow and develop a healthy spiritual life that will honor and glorify our Lord.

1

PRAY with us for the children we planning to add into our family to have the opportunity to know JESUS.

2

PRAY with us for the godly men and women we need in our staff to serve more children.

3

PRAY with us that GOD PROVIDES all the resources to keep this Ministry growing and serving.
