It's more than just a trip when you serve with Mosaic Baptist Church in Crown Heights, Brooklyn. With nearly 200,000 people and more than 20 cultures in our neighborhood, we need partners who will help us carry out the mission of making disciples of all nations.

Ways we serve

Helping our neighbors through community service such as painting, gardening, street cleanup, etc.

Loving our neighbors through acts of kindness such as giving out bottled water, coffee, hot chocolate, etc. along with information about Mosaic.

Connecting with our neighbors through community events like block parties, cookouts, family carnivals, etc.

Discovering who our neighbors are through prayer walking and community questionnaires.

Guidelines and Expectations

- We invite individuals, families and groups to serve with us from a few days up to a week
- Crown Heights is a neighborhood where the "majority" are "minorities". We expect cultural awareness and sensitivity to all ethnic and religious groups.
- There will be an extensive amount of walking, so make sure your team has proper footwear.
- An administrative fee of \$30 per person needs to be sent to Mosaic to provide leadership to your team.
