### FROM THE PASTOR

Isaiah 43:18-19

18 "Remember not the former things,  
nor consider the things of old.  
19 Behold, I am doing a new thing;  
now it springs forth, do you not perceive it?  
I will make a way in the wilderness  
and rivers in the desert.

Sometimes in life, we can get stuck in the past. We tend to overemphasize the bad and undervalue the good. The prophet Isaiah speaks to the people of Israel after they have suffered great loss at the hands of their enemies. Their loss came after they lost sight of God and failed to live the life that He set out for them. Even as the Israelites bandaged their wounds and grieved the things that were no more, God never lost sight of them. In their pain, He grew them into a nation that came to realize that God was not trapped in a temple but was with His people, no matter where they found themselves. In fact, He was setting the stage for Christ to come and save the world. While at times we may feel lost in the wilderness with no hope of rescue, God is with us and is growing His children to be the very instruments to proclaim that salvation is available for the world. The entry fee is total surrender to Christ in faith. Through faith, He will show you the way out of the wilderness and make the rivers flow even in the driest of deserts. Just know that if you are in the wilderness, God might be preparing you for something great. Surrender to His voice and be amazed at the great things He can and will do through you. May we ready our hearts to celebrate the salvation of Christ and the redemption of sinners as we welcome a new season of life to the South Plains.

As the weather gets warmer, we begin to see the beautiful creations of God awake from a cold winter. This month in youth we will have IMPACT on March 4th, 11th, and 25th. We are

going to continue to talk through 1 and 2 Samuel and how God worked in the life of David. For those who are here during spring break, we will have an open gym on March 18th.

We will have a NERF gun war at the end of the month with more information coming in the coming weeks. If you are interested in a nerf war, please bring your gun, or I will have one for you, and be ready to have some fun!

We have a lot of good things happening this month in youth. I hope you can join us on Sundays and Wednesdays for bible study and more fun.
