FROM THE PASTOR

I am excited that all our fall ministries are back in full swing this month. The bus will start rolling on the ninth to bring a new group of students to our Jesus and Me (JAM) after-school program, and we'll have new opportunities to teach our boys and girls about missions through the Royal Ambassadors (RAs) and Girls in Action (GAs) classes. If you are interested in helping in any of these programs, please let Ludustia know. We especially need men willing to be a Godly role model for our boys. We are also looking for volunteers to help with cleanup after our Wednesday night meals and others willing to operate our worship slides computer on Sunday mornings. Please let me know if you can help in either of these capacities.

Also, please plan to join us on Sunday, September 6, at 4:00 pm to hear a devotional from Kenneth Jackson of New Light Baptist Church in Lubbock and an update on the work they are doing to serve the community around their building. In addition, remember to pray for our youth as they make plans to lead our schools during the annual See You at the Pole event and as they travel to the Saw You at the Pole that night at Wayland Baptist University.

I would also like to bring your attention to the Celebration Dinner at Plains Baptist Assembly on September 26. It will be a fundraiser for the camp and an opportunity to celebrate how God has been blessing them during this new season of ministry. To find out more about this dinner and ways you can contribute, please visit their website at <https://www.pbacamp.org/2026-celebration-dinner/> May "the grace of our Lord Jesus Christ and the love of God and the fellowship of the Holy Spirit be with you all."

School is in full swing and our youth Wednesday night bible study, **IMPACT**, has started. We have had a great first couple of weeks of **IMPACT** and learning about our Foundations in Christ. This month is another busy month with tons of opportunities for your youth to engage with each other and the community. We have a homecoming 5th quarter on Sept. 4th from after the game until 11:30 and a Community Clean Up where I will have our students help the community of Floydada by doing some cleaning around town. We will have an event called See You at the Pole where your students will lead worship and prayer groups before school starts on Sept. 23rd. That night I will take the students to Wayland for Saw You at the Pole, which is a worship service and sermon put together by Wayland Baptist University. It's a great month to ask friends to come to **IMPACT** or our many other events happening. I hope to continue to teach and to grow your students through the word of God. Thank you for giving this opportunity to love on and grow your students this year.

*If you have not signed the travel release form for the 26-27 school year, please do so as soon as possible. It is on our sports you app or I have physical copies for you at the church office. Please don't hesitate to call the church office and ask for Jordan with any questions. God Bless

WHAT'S NEW: The past several years we have had to combine RA's (Royal Ambassadors for boys) and GA's (Girls in Action) due to lack of male volunteers. This year however, we plan to separate them again. This is our Wednesday evening Missions for kids. Jennifer Greer has bravely offered to take the boys while Tracy Campbell and I will continue to split the girls. Mark will help when he can, we just also need volunteers to clean the kitchen after the meal. PLEASE.....we would LOVE to have some male volunteers to help with this. These boys need positive male role models outside their household. If any of you would love to be a part of this program, please reach out to me. If enough volunteer, you could be on a rotation.

UPCOMING EVENTS:

J.A.M. & Missions will start September 9
Bible Drill will start September 13 (3rd-5th)

PLAYGROUND UPDATE:

Playground has been purchased! We are just waiting for it to be delivered. The Turf work has been started! Drive by and see some progress.

You know you're in Kids Ministry when... you can untangle a pile of yarn or lanyard strings in under ten seconds!

Thank you for supporting the Children's Ministry!
