Thanks Be To YOU

As Holy Week draws to a close, we give thanks for the many hands and hearts that made these sacred days so meaningful. To everyone who attended a service or volunteered, thank you. To those who prepared the altar and sanctuary, to the Flower Guild, and the cooks and creative "interior designers" of Maundy Thursday, thank you. To those who stapled and folded all 790 bulletins, and to the dedicated proofreaders, we are especially grateful, as well as to the hands that counted our Easter offerings. To the ushers and greeters, the technicians in the sound booth, and the musicians with tired throats, thank you for carrying each service with care. And to our tireless clergy, Fr. Nathan and Fr. Bill, thank you for leading us so faithfully through this holy time. Each act, seen and unseen, helped tell the story of Holy Week. Thank you!

PUSH Prayer (Pray Until Something Happens)

Join us in praying our new PUSH prayer, trusting that God is moving and working through our community.

Gracious God, throughout human history, you have encountered humanity time and time again. Pour out your Spirit upon us, so that we might be refreshed. Give us strength and courage as we share your message of hope, healing, and reconciliation. We give you thanks for answering our prayer for five new members; may your good work continue in them and us. May fifty hearts be touched by your Spirit and join us soon. We also pray for fifteen more volunteers so that we are well-equipped to share your ministry of love with others. We also pray that you provide us with a rectory so that our future clergy might have permanent residency nearby. Amen.
