### Email Scam Alert: Stay Vigilant

Recently, a sophisticated scam email was sent that appeared to come directly from Fr. Nathan's St. Wilfrid's email address. These types of scams are becoming increasingly common and can be very convincing. Please be cautious of any unexpected requests for money, gift cards, financial assistance, or personal information, even if they appear to come from a member of the clergy or church staff. St. Wilfrid's only solicits donations through official parish channels and established giving procedures. If you receive a message that seems unusual or raises concerns, please contact the church office before responding. We will be more than happy to answer any questions you might have.

### Online Donations

## PUSH Prayer (Pray Until Something Happens)

*Join us in praying our new PUSH prayer, trusting that God is moving and working through our community.*

Gracious God, throughout human history, you have encountered humanity time and time again. Pour out your Spirit upon us, so that we might be refreshed. Give us strength and courage as we share your message of hope, healing, and reconciliation. We give you thanks for answering our prayer for five new members; may your good work continue in them and us. May fifty hearts be touched by your Spirit and join us soon. We also pray for fifteen more volunteers so that we are well-equipped to share your ministry of love with others. We also pray that you provide us with a rectory so that our future clergy might have permanent residency nearby. Amen.
