PUSH Prayer (Pray Until Something Happens)

Join us in praying our PUSH prayer, trusting that God is moving and working through our community.

Gracious God, throughout human history, you have encountered humanity time and time again. Pour out your Spirit upon us, so that we might be refreshed. Give us strength and courage as we share your message of hope, healing, and reconciliation. We give you thanks for answering our prayer for five new members; may your good work continue in them and in us. May fifty hearts be touched by your Spirit and join us soon. We also pray for fifteen more volunteers so that we are well-equipped to share your ministry of love with others. We also pray that you provide us with a rectory so that our future clergy might have permanent residency nearby. Amen.
