### Blessing of the Waves

Living in Huntington Beach has its perks, like praying with your toes in the sand! Join the GHBIC for the annual Blessing of the Waves tonight at the HB Pier. Music kicks off at 6pm; the program begins at 6:30pm; and at 7:15pm, willing participants will paddle out into the water for the blessing. Come soak up the blessing!

### Campus Work Day

Join us at **7:30am on Saturday, September 13th** for our next Campus Work Day, starting with a breakfast by Chef Jim. At our last work day, half of the white chairs in Sacquety Hall were cleaned. This time we'll finish the rest and help prepare the campus for Homecoming Sunday the following day. Come lend a hand and share in the fellowship as we get everything ready for this special weekend.

### Homecoming Sunday

Do you have a favorite side dish that you like sharing with others? Sign up at the SCRIP table to bring it to our Homecoming Sunday celebration next weekend. Food always tastes better when it's shared amongst friends!

### Matching Gift Opportunity

As you may have read in Senior Warden Nancy Davis' article in our weekly email, our Pipe Organ Restoration Project is scheduled to be completed by October 15th. Since 2022, thanks be to God, we have received more funds than were originally pledged. To date, about \$110K has been given toward the \$115K project. An anonymous donor has generously offered to help close this gap with matching gifts-every dollar donated, up to \$3,000, will be matched. With your support, the Organ Restoration Project will be fully funded. To contribute, use the envelopes in the pews, notate your gift for the organ, and place it in the offering plate. Thank you for your generosity!

### Altar Flowers

The flowers on the altar this week are given by Darleen and Jeannie York in memory of Arnie, Jr., a loving son and husband.

### Online Donations
