PUSH Prayer (Pray Until Something Happens)

Join us in praying our new PUSH prayer, trusting that God is moving and working through our community.

Gracious God, throughout human history, you have encountered humanity time and time again. Pour out your Spirit upon us, so that we might be refreshed. Give us strength and courage as we share your message of hope, healing, and reconciliation. May Your Spirit work through us so that our parish would increase in size with five new members between now and the end of year; may fifty hearts be touched by your Spirit and join us soon. We also pray for more volunteers so that we are well-equipped to share your ministry of love with others. Also, provide us, we pray, a rectory so that our future clergy might have permanent residency nearby. Amen.
